Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner stated that the IDS filed 1/12/05 was missing the list of references, but that several references had been received. Mr. Bone offered to fax or email a copy of the list of references, in order to be certain that he had fulfilled the duty of disclosure. The examiner replied that the list may have been separated from the other papers during PTO processing, and offered to list the references on a Form 892 to make them of record. She also asked for confirmation that all references had been received. Mr. Bone confirmed that the references received were those field and agreed to have them listed on a Form 892. .
